

Mini tractor trailer TP300-DLB

(EC0356TI)

Trailer built on hot-dip galvanised welded frame for transporting special equipment (mini forklifts, shoveling machines). Stationary tailgate & loading skid within standard configuration ensures easy and fast loading of equipment. Also suitable for loading tricycle equipment. The details and components of the trailer are specially designed to ensure the operation of the trailer in difficult conditions. To ensure that the load is secured properly, the trailer is equipped with strong fastening eyes both in the towing box and on the sides.

Tehnilised andmed

Kasti laius (m):	1.5
Kasti pikkus (m):	3
Raam:	Welded
Täismass (kg):	2990
