

# BP1800-LB multiroller boat trailer with flip-up LED tail lights

(EC0570TI)

The single-axle boat trailer with brakes on a hot-dip galvanized welded frame is user-friendly and durable. This trailer is designed for everyday use as well as for those who only need a trailer once or twice a year. Fits all the most common boat models. Multiroll System saves your boat and your time.

**NB! When choosing a trailer, keep in mind the dimensions and weight of your boat, including engine, fuel and accessories.**

The A-shaped frame and the maximum low center of gravity of the trailer increase stability and safety while driving. Leaf suspension reduces the effect of potholes on the trailer and improves driving characteristics. The advantage of a parabolic leaf spring is its load capacity and time resistance. Waterproof hubs ensure a longer life for the bearings. Metal fenders and step boards make the trailer more comfortable to use. The frame of the truss-reinforced trailer is equipped with strong fastening eyes to secure the boat. The trailer is equipped with an adjustable winch jack, which allows you to adjust the winch jack according to the dimensions and shape of the boat. For more stable transport of the boat, the trailer winch is equipped with double nose supports. A winch with a brake ensures convenient and safe use. The self-regulating side rollers adapt to the shape of the bottom of the boat and help to load and unload the boat more smoothly. Thanks to the multi-rollers, the boat is better supported, the load is more evenly distributed, and the boat thus remains more stable on the trailer. The trailer is equipped with waterproof flip-up LED taillights and a waterproof wiring system.

Upgrade your trailer with accessories for the best user experience.

## Tehnilised andmed

Max paadi pikkus (m):	6.8
Raam:	Welded
Täismass (kg):	1800
Tühimass (kg):	427
Kandevõime (kg):	1373
Haagise pikkus (m):	7
Haagise laius (m):	2.4
Sild:	leaf spring
Pidurid:	YES
Rehvid:	185R14C 5 x 112 M+S

## Standardvarustus

- ✓ Tugiratas
- ✓ Tugev kuumtsingitud keevisraam
- ✓ Reguleeritav vintsi koos vintsi ja ninatoega
- ✓ Piduriga vints
- ✓ Multirullid kallutusmehhanismiga
- ✓ Multirull süsteem 24 rullikuga
- ✓ Veekindlad rummud
- ✓ Tugevad kinnitusaasad
- ✓ Metallist pealeastumist taluvad poritiivad
- ✓ Astmelauad
- ✓ Tasakaalustatud rattad M+S rehvidega
- ✓ Veekindlad LED ääretuled
- ✓ Ülespööratavad veekindlad LED tagatuled
- ✓ Pistik 13 klemmi
