

BP1350-RBA multiroller boat trailer with flip-up LED tail lights

(EC0593TI)

The single-axle boat trailer with brakes on a hot-dip galvanized welded frame is user-friendly and durable. This trailer is designed for everyday use as well as for those who only need a trailer once or twice a year. Fits all the most common boat models. Multiroll System saves your boat and your time.

NB! When choosing a trailer, keep in mind the dimensions and weight of your boat, including engine, fuel and accessories.
