

Platform trailer CP400-DRB/DROP/2600kg

(EC0240TI)

A tilting multi-functional platform trailer on a welded frame with a strong construction. The smooth bottom and lack of ports allow the trailer to be used both for the transport of loads and, for example, as a base for the sauna or hot tub of your dreams. You can also conveniently load goods onto the trailer from the sides with a forklift.

The wheels are located under the trailer platform to ensure maximum loading area. Small wheels ensure the lowest possible loading height and center of gravity. Waterproof hubs ensure a longer life for the bearings. The platform is equipped with hooks to secure the load.

Upgrade your trailer with accessories for the best user experience. NB! It is possible to choose different support legs for attachment to the trailer both under the bottom and on the sides.

Tehnilised andmed

Kasti laius (m):	2.08
Kasti pikkus (m):	4
Raam:	Welded
Täismass (kg):	2600*
Tühimass (kg):	390
Kandevõime (kg):	2210
Haagise pikkus (m):	5.36
Haagise laius (m):	2.08
Sild:	2 x torsion
Pidurid:	YES
Rehvid:	195/55 R10C 5 x 112 M+S
*Täismassi valik registreerimisel (kg):	2200, 2300, 2400, 2500, 2600
